

Powerhouse

Super Strength Extractor Cleaner

Powerhouse combines low-foaming surfactants, solvent emulsifiers, alkaline builders, and penetrating agents to loosen, lift, and remove the toughest embedded soils from carpets, rugs, and upholstery. Excellent for use in commercial establishments, restaurants, automotive detailing, industry, or other areas with extreme soil including grease, tar, ink, and food. Use Powerhouse in portable or truck-mounted extraction units. Highly concentrated. No sticky residue. Resists resoiling. Cleans, brightens, and deodorizes.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Test for colorfastness by applying undiluted solution in an inconspicuous area. Vacuum and rake carpet fibers before use.

Extraction machines:

1. Dilute 1 oz. of solution per gallon of water for light soils, 2 oz. per gallon for heavy soils.
2. Extract carpets, rugs and upholstery in normal fashion.
3. Do not overwet.
4. Allow to dry.
5. Rake or brush carpet fibers.

Prespray / Traffic lane cleaning:

1. Dilute 12 oz. of solution per gallon of water.
2. Lift carpet fibers with rake.
3. Spray solution onto carpet.
4. Extract in normal fashion.

FAST FACTS

- Super strength formulation
- Contains solvent emulsifiers to remove petroleum and food soils
- Removes deeply embedded soils, spots, and stains
- Resists resoiling
- Can be used as a prespray and traffic lane spotter
